b) So that we will be a _____ and not a _____ to the believing community.

REFLECTION

- ❖ How would you rate your love for your brothers and sisters in Christ? Is it as strong, if not, stronger than it is for your blood family? If not, why do you think that is?
- ❖ Do you see your work and how you conduct your life as an example to the world of what it means to follow Jesus? Are you productive at work or are you disruptive?
- ❖ How can you practice brotherly love this week to someone in your local church family?
