### REFLECTION

- ❖ What do you believe about the end times? Has your view changed over time? If so, how?
- ❖ Read 2 Timothy 4:8; Hebrews 9:27-28 and Titus 2:11-13. What is the common theme expressed in these passages about believers and the appearing of the Lord.
- ❖ Who do you know that needs to be encouraged by the truths about the coming of the Lord and our hope-filled future? Pray for that person and call/email or text them that encouragement?
