Central Text: *Nehemiah 1:1-4*

BIG IDEA: God uses those _____ by _____ to _____ and _____
what’s broken.

NOTES:

REFLECTION AND APPLICATION:

- When was the last time you were moved with deep compassion, prayer and concern over the plight of a person or a place that you care about it, that was in trouble or going through something tragic? How did you respond?
- What are some of the “broken walls” in your own life that keep you from seeing the ruin around you and responding like Nehemiah?
- Can you identify some of the “broken walls” in your family? Your church? Your community?
- Pray every day this week for the Holy Spirit to soften your heart and make you aware of the ruin around you. What actions is He asking you to take to rebuild and restore what’s broken?
