### REFLECTION AND APPLICATION:

- ▶ Where is God calling you to honestly and humbly inspect the walls of your life (e.g., relationship with the Lord, friends, marriage, parenting, work, finances, etc.)? Where might repentance and growth be needed?
- ▶ How should Nehemiah's motivation for inspecting the walls serve as a guide for us in the observations or concerns we bring to fellow believers and to the church?
- ▶ In what relationships is God calling you to utilize your influence? (home, work, community, etc.)
- ▶ Have you taken your place at the wall of Sent Church? Where is God leading you to labor and build in the church?
